HOMEMADE JAMZ

The youngest blues band in the America jammin' at da' HOUSE

Indianola, MS - October 12, 2010—The soon-to-be legendary **Homemade Jamz Blues Band** will present a rare lecture demonstration at **da' HOUSE OF KHAFRE**, at 105 Main Street (at the corner of Front St.) in historical downtown Indianola, on **Thursday Oct 21, 2010 @ 4:30 pm**. This three-member band is composed of the Perry siblings: Ryan (18), Kyle (16) and Taya (12) from Tupelo, MS. They are considered the “trifecta of the Blues world.”

The **Homemade Jamz Blues Band** regularly travels around the globe performing up and down Beale Street, at international blues festivals and cruise liners and are making a tremendous impact on the music industry. In 2006, the **HOMEMADE JAMZ BLUES BAND** won the 3rd Annual MS Delta Blues Society of Indianola's Blues Challenge, and became the youngest band to compete in the International Blues Challenge, in 2007. Out of 93 bands, **Homemade Jamz** took 2nd place, their first time in a major competition. The Band has been featured in all major media: NPR, PBS, CBS Sunday Morning, BET, international blues magazines, several local papers, and others. Visit them online at: www.hmjamzbluesband.com.

The **Homemade Jamz Blues Band** will be in the Delta to present a series of concerts and will be featured as very special guests of the **Young Publishers' Network**. Their topic is “***Make it Yo' Business...***” In which they will discuss techniques for writing song lyrics, composing musical tunes, their life traveling around the world. This dynamic trio will also display some of the musical instruments that were “homemade” and on display in museums throughout Mississippi. As a very special treat the audience will also have the opportunity to hear “**The Game**,” their second CD scheduled for global release December 1, 2010. This is a great opportunity for students from Indianola to get up close and personal with young artists who are not only successful, but have discovered their passion.

This event is presented by Khafre, Inc a Mississippi-based not-for profit 501 (c)3 organization. Khafre, Inc offers youth empowerment educational workshops, seminars and conferences that celebrate Mississippi Delta's cultural heritage and its contributions to world history.

See ya'll at **da' House**...*we are moving towards a Delta Renaissance!*

“In my 82 years, I've never seen something musically...so remarkable. These young kids have got energy, talent and do the blues proud with their own flavor. I believe they've got a GREAT future ahead.”
