

THE COTTON PICKERS OF AMERICA MONUMENT AND MEMORIAL PLAZA

LEGACY BRICKS OF HONOR PROJECT

Question: Who should purchase a brick and why?

Answer: EVERYONE! We encourage everyone associated with the "pickin from kin to kain't" experience to have a brick in the plaza—Corporations, businesses, community leaders, natives of the Delta, and friends.

Questions: How much will the bricks cost?

Answer: A brick can be purchased for \$100.

The bricks will be placed in accordance to the following zones:

- I. Central Plaza
- II. Tribute to Slave Labor
- III. Tribute to Cotton Picking
- IV. Tribute to Sharecropper
- V. Tribute to Black Farmers

Question: Do I have to pay for my brick in one installment?

Answer: YES! In order to keep our administrative costs at a minimum, we request one easy, simple payment in the amount of \$100.

Corporations (or individuals) may choose to make a contribution towards the cost of bricks for underprivileged families or in the name of known and unknown ancestors.
